(e) Presentation of the MIHJA High Score Awards will be made at the annual Awards Banquet, on a date to be determined by the Executive Board.

Part 8. Ties:

In the event of a tie, the High Score Award will be awarded to each competitor.

Part 9. Grand Hunter Champion and Reserve Champion (Two classifications):

The purpose of these awards is to encourage participation at member shows. In making the award, MIHJA in no way implies that the winners are the best overall but certifies that these animals are properly nominated and are exhibited and owned or leased by an MIHJA member, acquired the greatest number of points during a given year, as outlined below.

Qualifications:

1. Horse or pony must be nominated, and owned or leased by a member of the Association.
2. Points may be earned in any division recognized by the Association except Equitation, which is based on the rider, or the Jumper divisions.
3. No credit will be given for ribbons won in any class that does not count for year-end awards. For example: Warm-Up.
4. Horse/pony may be ridden by more than one person (junior, amateur or professional) throughout the year.
5. If the horse/pony is sold or leased during the point season, points stay with the horse. The award is made to the owner as shown in the MIHJA recording files at the time the horse/pony wins its last point in competition. The owner must be a member in good standing of MIHJA.
6. In the event of a tie, award will be presented to each competitor.

Part 10. Transfer of Ownership:

Ownership of a horse (pony) may be transferred during the show year without affecting the animal's score, the award being made to the owner as shown in the MIHJA recording files at the time the horse wins its last point in the competition. It is the responsibility of buyer to notify the MIHJA Secretary of a transfer of ownership. For the accumulated points to transfer with the horse/pony, the new owner must be an existing MIHJA member in good standing, or joins the organization within ten days after the purchase of said horse. If the new owner is not a member or does not join within ten days, the points will remain with the seller.

Part 11. Change of Animal's Name:

It is the responsibility of the owner to notify the MIHJA Secretary of the change of any animal's name within 15 days of such change so tabulation records may be corrected. A fee of \$35 will be charged.
